The Newsletter of the Westtown-Goshen Rotary Club

October 26, 2010

Thank You John and Tina O'Brien – You made Saturday, October 9th a special social event for all who attended. Your three daughters and the daughter of Lisa Balch were great hostesses that evening. It was a pleasure meeting Tina's mother and father, and it was great seeing Lois Hodgson again. Stan Krangel and his wife brought relatives from Pittsburgh to this lovely evening party. **It was a fantastic evening, We-Go thanks you!**

Duck Race News – The Duck Race was a success because the We-Go membership did an outstanding job on Saturday, October 16th. All aspects of the day were carried out with efficiency and great organization. Much credit again must be extended to Dave Moldoff who worked his tail off. Cooperation of the membership of We-Go was absolutely incredible; we enjoyed the day! Reese Davis reports that we presold 2008 duck tickets, and we sold 443 tickets on Race Day. Total ticket sales amounted to \$12,255. The first race involved 537 tickets, the second race included 523 tickets, and the remaining three races averaged about 460 tickets per race. Dave Moldoff indicated at last Thursday's meeting that we netted about \$10,000.

A Reminder for each Member – Every We-Go member should meet with the members of each committee he is assigned to. Chairs of these committees should report about their activities to the Avenue of Service Chair/Board Liaison.

Future Programs of We-Go – In order to assist Travis Olszewski with future Club programs every member is to provide one program a year. This can take the form of a speaker, vocational tour or a reclassification talk. President Leo has requested that each member should work on this. Once you have a program in mind see Travis or President Leo. A schedule of programs will be worked out in the coming months.

Bob Bielski Meets Frank Roia at the Chester County Hospital Annex – Tuesday of this week I saw Frank and his wife, Marnie, at the radiology lab as a result of Elaine's mammogram appointment. Frank, a former member of We-Go, has terminal lung cancer but it is not the result of smoking. Marnie said that Frank was ultimately diagnosed with a rare form of cancer that apparently comes from the textile mills of New England. Frank has accepted his fate; he skied last winter and he anticipates to ski this winter too. He says hello to all his We-Go friends.

Speaker on This Thursday – Travis has announced that our speaker on Thursday evening will be Dr. Mazhar Rishi. His talk is entitled "Children Creating Bridges". This speaker will be introduced by Jeff Penfil.

News from Govinda – Govinda has provided an update on our international project in India. In addition, Govinda is investigating the possibility to see if the Indian project can be introduced in Kenya, Africa. Govinda is dedicated to serving RI in terms of the

poor anywhere in the world. We-Go is fortunate to have him as a member of our Club.

Please visit the projects website at: <http://rotarychap.weebly.com> for current pictures and video on the project.

**Great project, total participation! Your dedication did the magic. Congratulations to you Bhat. Our thanks should travel to Westtown Goshen Rotary Club and the Good Samaritan, Dr. Govind Malya!

A Bit of Humor – Life is not about waiting for the storm to end; it is about learning to dance in the rain.

GOD LOVES DRUNK PEOPLE TOO

A man and his wife were awakened at 3 A.M. by a loud pounding on the door... The man gets up and goes to the door where a drunken stranger, standing in the pouring rain, is asking for a push.

“Not a chance,” says the husband. “It is 3:00 in the morning!” He slams the door and returns to bed.

“Who was that?” asked his wife. “Just some drunk guy asking for a push.” He answers. “Did you help him?” she asks. “No I did not, it is 3:00 in the morning, and it is pouring rain out there!”

“Well, you have a short memory,” says his wife. “Can’t you remember about three months ago when we broke down, and those two guys helped us? I think you should help him, and you should be ashamed of yourself! God loves drunk people too.”

The man does as he is told, gets dressed, and goes out in the pounding rain.

He calls out into the dark, “Hello, are you still there?” “Yes,” comes back the answer.

“Do you still need a push?” calls out the husband. “Yes, please!” comes the reply from the dark.

“Where are you?” asks the husband. “Over here on the swing set,” replied the drunk.
