The Newsletter of the Westtown-Goshen Rotary Club

District Governor Al Marland Visits Our Club on November 5th – The annual visit of the District 7450 Governor will occur at our evening meeting on Thursday, November 5th. Make Governor Al feel at home with our We-Go Club. Let's give him a hearty welcome!!

Ginny Ingram Has Moved – Mark Rudiger informed our secretary that Ginny fell at her apartment at Freedom Village, and she spent some time recuperating in the hospital. She is now living at the Bellingham Retirement Community, Park Lane #222, 1615 E. Boot Road, West Chester, PA, 19380. Reese Davis has had flowers sent to her new quarters.

Former We-Go Charter Member's Wife Has Died – Reese Davis has informed your editor that the wife of Norbert Breslin has died. Linda Breslin was just 62 years of age; she had a long career in nursing. Norb served as We-Go's Club President in 1978-1979; he resigned from our club in the early 1980s.

When In Rome.... – As you may have noticed Seth Birch has not been in attendance for the past two weeks. While some of the members may have known he was in London attending a wedding, they did not know of his intentions for the side trip he had planned for his girlfriend Jenna. On Monday, Seth and Jenna flew from London to Rome where at the top of the Spanish Stairs Seth proposed to Jenna. They spent the next week in Rome enjoying the sights, and arrived back in the states on Saturday night. Congratulations Seth and Jenna!

November is Rotary Foundation Month – Our Rotary Foundation Chair, Govinda Malya, is distributing District 7450 letters to all active members of our Club. The goal of the District is to secure \$100 average among the District's membership. The theme is *Every Rotarian Every Year* to support worthwhile projects across the world. Fifty percent of the aggregate total contributed this year by District Rotarians will go to the World Fund for global use with control of the other fifty percent being returned to our District. We will have the opportunity to award Ambassadorial Scholarships and Peace Scholarships to promising individuals. As a club we can apply for Matching Grants or District Simplified Grants for projects that We-Go is supporting. All members are asked to respond to this letter and contribute to this noble cause. During the month of November respond with a contribution to the Rotary International Foundation.

December Holiday Party – President Jeff announced that our holiday dinner party will be held on December 11th. Arrangements have been made to meet at the Hersheys Mill Country Club. The event will be priced at \$42 per person.

Speaker Last Thursday – Our speaker last week was Brady Russell, an activist for clean water. He is a member of a non-profit organization entitled **Clean Water Action**. Brady is a graduate of Cornell University. His focus was related to the existence of natural gases in the

Continue >>>

geologic formation called Marcellus shale. The drilling requires an ample water supply that might become tainted by the natural gas. Brady indicated that a cigarette came in contact with a cup of coffee, and the coffee flamed up. The concern about drilling to this gas-laden shale is that it not pollute the ground water supply. It was a very interesting evening.

Speaker on Thursday – Our speaker on Thursday, October 29th will be Elizabeth Rhodes. She will be introduced by Govinda Malya. Her topic is the Rotary Foundation.

Humor From Will Rogers

Never slap a man who's chewing tobacco.

Never kick a cow chip on a hot day.

There are two theories to arguing with a woman ...neither works.

Never miss a good chance to shut up.

Always drink upstream from the herd.

If you find yourself in a hole, stop digging.

The quickest way to double your money is to fold it and put it back in your pocket.

There are three kinds of men: The ones that learn by reading. The few who learn by observation. The rest of them have to pee on the electric fence and find out for themselves.

If you're riding ahead of the herd, take a look back every now and then to make sure it's still there.

Good judgment comes from experience, and a lot of that comes from bad judgment.

Thank you, Lois Hodgson!
