Stan Krangel Is Still Seeking Donations to Gundaker – If you have not yet responded to Stan’s appeal for contributions to Gundaker please see if you can do so. We-Go has benefitted greatly from Gundaker.

Local Service Project Proposed by David Moldoff – This project is an effort to provide 15 to 20 acres for ball fields to be used by the East Side Little League. The project, to be successful, requires that a lease with the West Chester Area School District be secured. It has been proposed that the acreage be in one location so that four ball fields can be built. The idea is to develop a community field complex to be used by WCASD students in ESLL with no funds from the school district. ESLL has a 46 year history of leasing land and investing league funds to have baseball fields constructed so the almost 900 WCASD students that register in ESLL have a place to play baseball. This community project appears to be a worthy proposal for We-Go to get into. Excellent idea, Dave!!

Second Chapter from Joe Kahn – As previously mentioned Joe was born in Germany. He left when the Nazi’s began their program to annihilate the Jews. First Joe spent time in eastern France, then to England and finally to Lincoln, Nebraska. After Joe’s completion of his B.S. degree at the University of Nebraska, Joe became a second lieutenant in the U.S. Army. Last Thursday Joe provided us with a brief synopsis of his military job in the short peace time period for the U.S. military. He was able to visit the town he lived in as a boy in Alsace-Lorraine. He has relatives there today. Joe enjoyed his tour of duty in France. He even found a car! Thanks, Joe.

A Bit of Humor – Golfer at the Dentist

A man and his wife walked into a dentist’s office. The man said to the Dentist, “Doc, I’m in one heck of a hurry. I have two buddies sitting out in my car waiting for us to go play golf, so forget about the anesthetic, I don’t have time for the gums to get numb. I just want

you to pull the tooth, and be done with it! We have a 10:00 A.M. tee time at the best golf course in town and it's already 9:30...I don't have time to wait for the anesthetic to work!"

The dentist thought to himself, "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain."

So the dentist asks him, "Which tooth is it, sir?"

The man turned to his wife and said, "Open your mouth, Honey, and show him."
