Proposed New Member to We-Go – Joe Kahn Has proposed a new member for We-Go. His name is Bruce Larkin, and he is CEO of Wilbooks, a publisher of educational books with headquarters in East Goshen. Bruce’s classification would be Author/Publisher. He has been present a two Club meetings. If any Rotarian has reason to oppose Bruce’s nomination please contact President Leo Gibbons as soon as possible, preferably within the week.

Frocularity Event on Friday, September 17th – Ed Olsavicky announced last Thursday that We-Go will have a social picnic at Dixie Peters’ Fellowship Compound. The Board of We-Go has approved paying for the main courses of BBQ/Roasted chicken, beef and corn. Those items will be prepared on-site in Dixie’s 275 gallon smoker by your chefs du jour: Dixie, Mark, Bob and Ed. Members have been asked to bring a covered dish to share and a beverage of choice to provide you and any guest you bring. This event is being organized to offer our members and guests a relaxing evening. If you have questions contact Ed Olsavicky at elowr1@verizon.net.

Possible New Local Projects for We-Go – Dale Yeager reviewed our local community projects for Rotary Year 2010-2011. Three new local projects were suggested: Habitat for Humanity, help for Seniors in their residences, and PAL. Milt Stith announced that PAL enrollment at the West Chester “Y” needs male volunteers for young male PAL students lacking “male presence” in their lives. Let Dale Yeager know where you can best be helpful in these projects.

District Governor to Visit We-Go on September 16 – District Governor (7450) Joan Batory will visit our Club on Thursday, September 16. It is important that all members make an effort to be present on that date. Governor Joan was once a member of the West Chester Rotary luncheon club. It would be appropriate to give her a very warm welcome!!

A True Story – A Helpful Pilot

A woman was flying from Seattle to San Francisco... Unexpectedly, the plane was diverted to Sacramento along the way. The flight attendant explained that there would be a delay, and if the passengers wanted to get off the aircraft the plane would re-board in 50 minutes. Everybody got off the plane except one lady who was blind. The man had noticed her as he walked by and could tell the lady was blind because her seeing-eye dog lay quietly underneath the seats in front of her throughout the entire flight.

He could also tell she had flown this very flight before because the pilot approached her, and calling her by name, said, ‘Kathy, we are in Sacramento for almost an hour. Would you like to get off and stretch your legs?’

The blind lady said, ‘No thanks, but maybe **BUDDY** would like to stretch his legs.’

Picture this: All the people in the gate area came to a complete standstill when they looked up and saw the pilot walk off the plane with a seeing-eye dog! The pilot was also wearing sunglasses! People scattered. **They not only tried to change planes, but they were trying to change airlines!**

Have a great day and remember...things aren't always as they appear!!

WITHOUT LAUGHTER IS A DAY WASTED !!!
